

Mo Arend

Technical supervisor - Camera operator - Camera Assist - Data Wrangler

Mo the Auckland Branch Manager of Rocket Rentals is a talented hardworking industry professional able to bring a wealth of experience to your next shoot or production. His skill base is very solid, and covers a wide range of areas. Mo is a senior technical supervisor/consultant able to manage high end Single Cam and Multi-camera shoots covering off engineer/technician (HD/SD) roles. He has successfully filled this position on well-known shows such as SA Fear Factor for 7 seasons and SA Master Chef for 2 seasons.

Mo is also an experienced digital camera operator, camera assist, sound operator and high level data wrangler. He can work OPC if required, works quickly, fits in anywhere, and gets on with the job with a can-do attitude.

Contact Dave at Rocket for quotes or rates.
