

Chris Terpstra (via Rocket Rentals)

Phone: +64 (0)4 4999225

Chris Terpstra is a lighting cameraman with over 30 years' experience, and has enjoyed working on a broad range of projects from drama to TVC's, documentaries and corporates. He is a well respected skilled operator and enjoys lighting to a high standard. Chris is also adept at fast turn around projects and can work OPC. He is excellent at capturing the essence of a director's vision in an artistic and economical fashion. Production's comment that his beautifully lit frames, easy going personality and sensitivity are an asset to any project. Chris is a great communicator able to interact with people from all walks of life.

Contact Dave at Rocket for quotes or rates.
